COLLEGE SCHOOL

ANNUAL REPORT 2016 - 2017

Dear Parents, Students and Friends,

As we celebrate our tenth anniversary year, we continue our efforts to make investments that strengthen our school community while creating an environment for our students and faculty to pursue their passions.

This year HNMCS unveiled a new cumulative donor board, to pay tribute to the ongoing generosity of our parents and benefactors from the founding of the school in 2008. We continue to update the "Legacy of Giving" board to recognize new cumulative donors who are advancing HNMCS' journey forward.

It is through the generous support of our benefactors that we are able to enrich the student experience, enhance our facilities and programmes and complement the educational experience we offer, while also making a HNMCS education accessible for more deserving students. All contributions received are fostering brilliant minds, compassionate hearts and inspirational leadership in our girls.

We extend our sincere thanks to our parents and benefactors for their commitment to the growth and development of our school.

With profound gratitude,

Marilena Tesoro

ADVANCEMENT EXPENDITURES

The Annual Giving Campaign supports every aspect of the HNMCS experience. We rely on the generosity of our donors and benefactors to keep tuition affordable and Annual Giving covers the gap between what tuition covers and the cost to educate every girl. It is a key resource of expendable support that impacts every aspect of life on campus.

FUTURE ADVANCEMENT FUNDING NEEDS

- Enhanced learning spaces for flexible learning environments.
- Bursary support for accessible education for qualified students unable to attend.
- Upgraded equipment and quality resources for our Athletic, Arts, Drama and Music programmes.
- New Science Lab and Robotic Equipment.
- Professional development for teachers to encourage innovation.

HOW TO GET INVOLVED

Volunteerism is the hallmark of the HNMCS community. We encourage and appreciate the time and expertise that you can share with the school, whether it be at a community event, by speaking to a class of students or in a myriad of other ways. Our students benefit directly from your contribution, and learn from your example. They see generosity in action through our many volunteers, reinforcing the importance of service as they learn to use their own talents to make the world a better place. We are sincerely grateful for your commitment to give back to the school community.
