

COLLEGE SCHOOL

ANNUAL REPORT 2017 - 2018

Dear HNMCS Friends & Families,

This is an exciting time in the life of Holy Name of Mary College School and it is thanks to your generous support of HNMCS, both financially and with your time that we have been able to enhance the student experience and foster remarkable success. Together, we have created a uniquely flourishing school and we have much to be proud of.

Having achieved membership in the Conference of Independent Schools (CIS) this past year, we have joined the ranks of highly respected schools, and gained immeasurable benefits. As a result of this association, the HNMCS community has taken advantage of the opportunities to interact, share resources, exchange ideas and participate in CIS athletics, arts, music and drama festivals, student leadership, professional development, parent networking and so much more.

HNMCS has soared to unimaginable heights – our alumnae are instrumental in leading positive change, expanding global perspectives and executing with excellence. Our current students are being empowered to address social challenges for the greater good, while discovering the endless opportunities for engaging, interactive learning and experiences.

I am ever more grateful for your commitment to the growth and advancement of HNMCS and for your generous contributions during the 2017-2018 year which has enabled us to enrich a 21st Century innovative student experience by assembling the finest resources for a STEAM (Science, Technology, Engineering, Arts, Mathematics) focused school curriculum.

With sincere gratitude,

Marilena Tesoro
