

COLLEGE SCHOOL

Dear Friends and Families of Holy Name of Mary College School,

As a donor to Holy Name of Mary College School (HNMCS), your support helps to inspire girls to shape a better future with confidence and a strong moral compass in making a difference in the world around them.

HNMCS is a place where young women stretch their boundaries and move forward towards limitless possibilities through a learning landscape that enables them to thrive as empowered, Catholic women leaders, ready to face the many challenges ahead with courage, compassion and integrity.

It is through the generosity of our donors that we are able to enrich the student experience, enhance our facilities and programmes, and complement the educational curriculum while also broadening our reach in making an HNMCS education accessible to capable students.

As Head of School, I am sincerely grateful for the efforts of our loyal community and of all the work done each day to move HNMCS closer to our Strategic Vision. Our extraordinary success during this past year has been the result of a community wide effort. It is with sincere gratitude that we share our 2017-18 accomplishments through the accompanying edition of our Annual Report.

Your gift truly matters to the brilliant minds waiting to make an impact in our future world. The success of our students and alumnae is only possible through your loyal support. Please consider making a contribution to the Annual Giving fund today.

Thank you for your contribution and for making a true difference.

With profound gratitude,

Marilena Tesoro

Holy Name of Mary was founded by the Felician Sisters in 1964 and quickly established a reputation for academic excellence and commitment to social action and service. In September 2008, Holy Name of Mary began a momentous new chapter as Holy Name of Mary College School, an independent Catholic school for girls, with the collaboration of the Basilian Fathers at St. Michael's College School of Toronto. The school's mission is to provide young women the highest quality of education with a moral grounding in the Catholic faith, its traditions and worldview in order to enable them to realize their full potential as influential leaders of faith and community, through the Core Values of:

Reverence and respect for and commitment to promoting and protecting the dignity of person

Exhibiting empathic consciousness toward others expressed in caring service

Forging right relationships, recreating a sustainable environment, and promoting the common good... all in the pursuit of peace

Encouraging an open mind and heart to lead to the continuous improvement of the person and ministry

Every year, our passion for educating is roused by the brilliant and curious minds of our students. It is their longing for just the best education that drives our staff to create a student-centric curriculum to encourage and motivate these young girls to accomplish their academic and extra-curricular objectives.

Through the continuous support of our remarkable community, we have been able to advance and enhance the school annually. We are proud of our recent graduates who have attained high levels of learning as a Schulich Leader Nominee, Chancellor Scholarship, IVEY School of Business and direct entry to Law and Medicine. HNMCS graduates have successfully transitioned to prestigious universities all around the world pursuing a diverse range of passions in their chosen fields.

HNMCS is committed to delivering a quality education that provides for endless opportunities.

It is our goal to provide an open and educational environment where girls can grow into young women as they are encouraged to discover their passion, achieve their dreams and find their life purpose, while being transformed by God's gift to reach out beyond themselves and touch the lives of others. We are proud to be a part of their educational journey throughout their formative years and strive to provide only the best in education to support our students and to continually provide them with new possibilities.

THE MORRONE FAMILY

Holy Name of Mary College School has been a part of our family for 6 years. Our daughters travelled a great distance each day to go to high school. It was a journey that was worth every penny spent and the rewards were countless. There is not a better investment than your child's education.

By building a solid educational background you are giving your daughter the key to fulfil her dreams. An HNMCS education has allowed our daughters to enter fields that are filled predominately by men. It has given them the confidence to be leaders and goal setters and it helped to enhance their competitive nature.

Throughout these past 6 years we have witnessed first hand the transformation of our daughters from young school girls to mature, spiritual teens who welcome competition and thrive to always be the best they can be. Aside from the highest standards in academics, Holy Name of Mary College School has provided them with a very strong Catholic faith. It is very difficult to find a school that can do both and do it so successfully.

By donating to HNMCS you are ensuring that your daughter will receive the best education she can in a very nurturing and welcoming environment. Your donation will help enhance the already stellar programs and it will ensure that the materials available to the girls are relevant to today's ever changing modern society. The girls have everything at their fingertips at HNMCS and it's important to keep it that way!

"HNMCS helped me stand out from other students as I was more confident when public speaking, as well as when asking professors questions during lectures and tutorial sessions."

Alana Morrone '16

Thank you to Holy Name of Mary College School for all you have done for our girls. We are so proud of the women they have become and we know their high school years have attributed to that.

The Morrone Family

“My time at HNMCS was truly remarkable and the education and opportunities I received gave me the necessary knowledge and resources I needed to excel in university.”

Olivia Morrone '18

Colleen Hayman '14

"I can truly say that HNMCS has shaped me into the woman I am today. It helped me build my confidence, develop my creativity and amplified my compassion."

Western University - Ivey Business School
Accountant at Deloitte

Beilun Wu '16

"Teachers are really helpful and inspired me to create, to challenge myself in order to achieve better."

Sheridan College - Bachelor of Animation

EQWIP HUBS

Diana Paolone '12

"I feel so blessed to have had this (opportunity) in my life that I want to give these same experiences and opportunities in education to girls all over the world."

Honours BSc. in Health and Disease,
University of Toronto

Youth Leadership Analyst at
EQWIP HUBS (Tanzania)

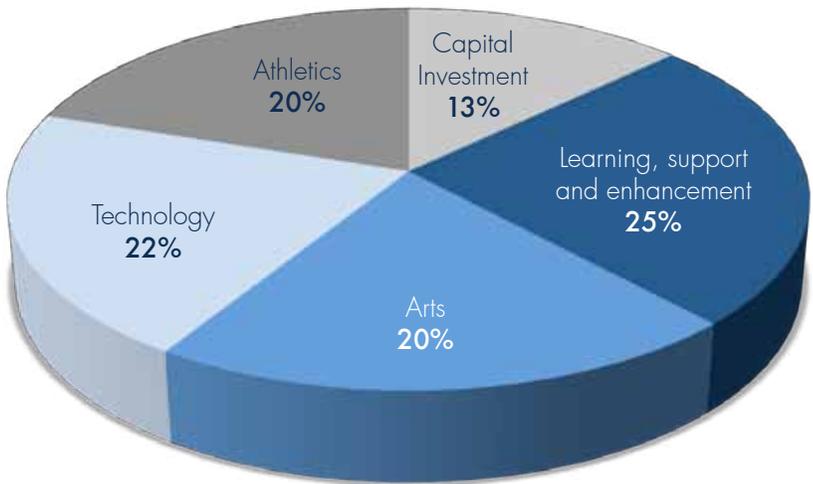

As we continue to build a legacy for our school, we thank our benefactors for their generous contributions this past year.

Loyal donors are the foundation of our success and your gifts are used to enrich the student experience, enhance our facilities and programmes, and ensure that an HNMCS education is accessible to bright, deserving students.

Your gift plays a significant role in shaping a learning environment that inspires brilliance and will propel us forward towards growing limitless possibilities for young women.

Help us ensure the ongoing excellence of our school with your gift to our Annual Giving Campaign.

Our aim this year is to raise \$125,000 from our school community. Every gift regardless of the size makes a positive impact. Please consider a one-time gift, a monthly donation, or a multi-year pledge.

PLEASE SUPPORT US

With your generous contribution to our Annual Giving Campaign, our school can continue to grow and flourish. HNMCS is proud to be a place where young women are inspired to achieve their personal best. In order to be able to maintain this optimal educational environment, we must continue to grow and continually modernize our methods of teaching. It is through your support that each student will benefit by our ability to broaden the breadth of her experiences and will be inspired in her own creativity, leadership and teamwork today and into the future.

HEAD OF SCHOOL INITIATIVES

This initiative is targeted at enhancing our focus on providing support for teachers and student learning. As new learning, training and curriculum initiatives are identified, our Head of School can accelerate the learning experience at HNMCS with more focused resources and funding. These programmes and development opportunities will be aligned with the strategic plan for the school and include areas such as technology, arts, music, teaching, learning skills development, athletics, and leadership.

STUDENT FINANCIAL AID & SCHOLARSHIP FUND

As we see students graduate from HNMCS, we know the opportunity to attend HNMCS has given these young women a strong educational experience. We believe the opportunity to attend HNMCS should be available to more girls. Members of our school community have also identified the need to support those who could not otherwise attend the school. A larger endowment is critical to making HNMCS a competitive and sustainable choice among Toronto and the GTA's many independent schools. Currently HNMCS provides financial aid to approximately 11% of our student body. Our ambition is to grow that number over the next four years to 20%. Generous contributions to the scholarship and bursary funds help attract strong motivated students to our school and extend the experience to those who could not otherwise benefit. Engaging the broader community in this way is a key element of our core values and mission.

INFRASTRUCTURE & BUILDING IMPROVEMENTS PLAN

As our school grows so do our infrastructure, building, and facility needs. Many of the enhancements already in place were donated to the school through families and friends of the school community and we thank them for their significant contributions. In the near future, we hope to continue with more improvements and accelerate the evolution of our facility. Targeted areas include new classroom and common area furniture, refurbishment of the school gym and change room areas, classroom window replacement, washroom upgrades, resurfacing of running track, and new chemistry lab. Your support will help us accelerate our plans in these areas and help us improve the overall learning environment for our students.

YES! I/My family will participate in HNMCS's Annual Giving Campaign

I would like to pledge \$ _____ of support.

DONOR INFORMATION

Name: _____

Address: _____

Phone Number: _____

E-mail address: _____

Designated to: Head of School Initiatives
