# THANK YOU

Dear Friends and Families of Holy Name of Mary College School,

As we continue to build a legacy for our school, we thank our benefactors for their generous contributions this past year. Your support helps us in our mission to empower young women to transform the world through intellectual curiosity and personal growth.

Donor support keeps tuition affordable, advances the mission of HNMCS and enables us to provide continued excellence in education and co-curricular activities. This report outlines the source of our funds along with the impact made from the from the donations and the direct impact on the girls, the school and our greater community.

We thank you for entrusting us with your daughters.

God bless,

The HNMCS Fund (formerly Annual Giving), consists of donations made to HNMCS each year through the Annual Giving Campaign.

With the support of a generous match from the Scola-Cloutier family, we were able to have the most successful HNMCS Fund campaign in our school's history.

These donations provided funding for the 2021-2022 academic year, and helped enhance the experience for our students, as well as opportunities for students through our Bursary & Financial Aid Programme.

# MOTHER DAUGHTER TEA
